Smartphone setup

iPhone and iPad | Safari

Wosson Telematics is a **Progressive Web App (PWA)**. It is **no longer available in the Apple App Store or Google Play Store**. Add it from our website using the steps below.

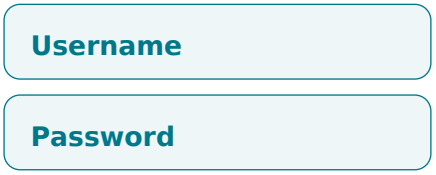

1 Visit our website

Open **Safari** and go to **wossontelematics.co.uk**. Tap **LOGIN** at the top of the page.

2 Sign in

Enter your Wosson Telematics **username and password**. Wait for the platform to load before adding the icon.

3 Open Share

Tap the **box with the upward arrow**. Alternatively, tap the **burger or page menu**, then **Share**.

Share

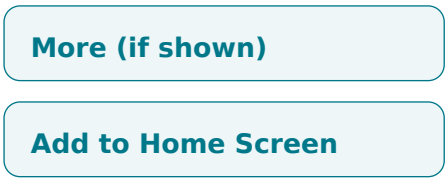

OR

Menu then Share

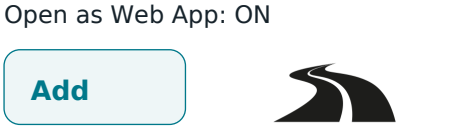

4 Add to Home Screen

Select **Add to Home Screen**. If needed, tap **More** first. If missing, use **Edit Actions** at the bottom of the list.

5 Confirm and open

Keep **Open as Web App** on if shown, then tap **Add**. Tap your new Wosson Telematics icon. Sign in again if asked.

Wosson Telematics

Old Wosson app: Do not use the Wosson? app downloaded from the Apple App Store or Google Play Store. Delete it from your phone and use the PWA installed using these steps instead.

Illustrations are simplified guides. Buttons and menu wording may vary.
